Dear Brothers and Sisters,

Those who are most often recognized as great in today's world are the rich and powerful. However, Jesus continues to remind us that true greatness in God's eyes is measured by a different standard – that of laying down one's life in service to others. By serving one another we are serving our Lord in being true disciples. The older we get it seems as if time passes by so quickly and when reflecting back over our lives we may find that we are still waiting for the time when we will someday give back to the Church in service.

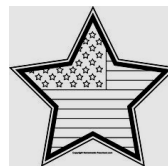

One of the primary reasons Jesus instituted the Eucharist is to provide our souls the sustenance needed to grow in holiness and come to share eternal life in heaven. Every time we receive the Eucharist, we really and truly receive Jesus. In doing so, we draw closer to Him and receive the strength to live as his faithful followers so we may be judged worthy of eternal life. Jesus invites us in a very gentle way to be united with Him in service, not just consumers who believe that by coming to Mass once a week we will have an automatic ticket into Heaven. There are so many opportunities and such a need to serve within our parish; taking The Holy Eucharist to those who are home bound and in nursing homes is only one example of serving our Lord by serving others. Another and very important way is by praying for one another and to especially pray for vocations. May our Lord Jesus Christ always fill you with the grace to serve him with a faithful heart.

Fr. Steve
