**EUCCHARISTIC ADORATION**

Every Wednesday you are invited to spend time with Jesus. Adoration begins with Exposition of the Blessed Sacrament after 7:00am mass and ends with Benediction at 6:30pm. On the First Friday of each month Adoration is at 7:00pm.

There are several times throughout the day we have need for attendees. Please call the Parish Office to sign up for an hour.

**Altar Flowers**

Jo Ann and James Mason, in thanksgiving for their wedding anniversary.

Please contact the Parish Office if you wish to honor a loved one with altar flowers.

Dear Brothers and Sisters,

The Preface to the Eucharistic Prayer speaks theologically to who we are and who God is and our relationship to Him. *“Father, it is our duty and our salvation always and everywhere to give you thanks.”* We, as Christians, not only give thanks to God as it is fitting for us to do, but it is also our *“salvation”*. These are stunning words: It is our salvation to give thanks!

The Mass itself, the source and summit of the Christian life, is properly called the Eucharist. As the Greek *eucharistia* denotes, we give thanks to God. We know that the gift of God is made *“effective and present...it is actualized and objectified”* in us as we participate in this Eucharistic act of giving thanks. In this act of giving thanks, we are taken up into the mystery of Christ’s redemption and participate in the salvation he won for us. *To give thanks is to be a Christian and it brings about our salvation.*

May God continue to bless you through the Eucharist.

Fr. Steve

### Stewardship Part IV: Beyond Our Walls

Beyond the boundaries of our parish, Stewardship teaches us that we are responsible for the whole Church, not just our parish or diocese. That is why our parish Stewardship program and the annual Archdiocesan Stewardship Appeal use the same word. They are both part of the same reality – caring for the Church throughout the world that has been entrusted to us. In today’s culture we have learned to see time in very small pieces. Drive-through

convenience, technological advances and new ideas of customer service have all taught us to expect things quickly. Rarely do we have to wait more than a day for anything. In centuries past, time was seen in much bigger blocks. Most people never saw a clock much less one with a quartz accurate second hand. This larger concept of time affected how people saw their world and their role within it. Many projects, especially something like a great Gothic cathedral, were only accomplished through several lifetimes. Those who started the project never saw its completion.

Those who prayed within a Cathedral’s walls rarely had been there when the cornerstone was laid. Yet everyone pitched in to make these monuments to God a reality. The Cathedral reminded each generation that they were part of a larger whole. That Church of which they were a part spanned many places and many times. Often people would labor on a Cathedral with only the notion that they were part of a purpose beyond themselves. This is Stewardship at its best. *To be continued in next week’s bulletin... From Stewardship: A Way of Life by Rev. Michael Ignaszak.*

The Parish Office will be closed on Monday, Sept. 5 in observance of Labor Day.

We would like to take this opportunity to wish everyone a blessed and safe Labor Day weekend.
