

Second Sunday of Easter

April 11, 2021

In reading from the Acts of the Apostles we hear about the early Christian community which, "was of one mind and heart", they "held everything in common;" and "there was no needy person among them." Does that describe our parishes or are we like the disciples hiding in fear in the upper room? Jesus speaks to us as he did to them, sending them out to bring peace, healing, justice mercy and love to a world in need of these virtues and in need of a community able to live them. What can we do to live more truly as that community of sharing and love?
