

Third Sunday of Easter

April 18, 2021

Peace
be
with
You

After the resurrection Jesus appeared to his disciples many times, often sharing food with them. Jesus was not just making a point about his bodily resurrection; he was also making a point about community. The risen Jesus brings people together and they become the Body of Christ. We do not choose the members of the Body of Christ, we have been chosen, by the grace of God to belong. Like the disciples of the past, we are called to give witness to this by our lives. Is our love, our mercy and compassion, especially to the poor and vulnerable credible enough that everyone who sees us could tell that we are members of Christ's body?
