

Eleventh Sunday in Ordinary Time

June 13, 2021

This Sunday the Scripture readings give us the image of growth and development. Many people can be an important influence in our personal growth and development, particularly our faith. Who was it that cooperated with God is planting the seeds of faith in your life? How are you nurturing them? What are the fruits of that faith? When we are deeply rooted in the life of God our Father, then we know we will bear the fruits of life, charity, compassion, mercy & forgiveness. The love of God will grow in us to help us to reach out to the unloved and forgotten, to the poor and dispossessed and to those whom God shows special care – the poor and vulnerable.
