

Sixteenth Sunday in Ordinary Time

July 18, 2021

The apostles gathered together with Jesus
and reported all they had done and taught.

He said to them,
"Come away by yourselves to a deserted place
and rest a while."
Mk 6:30

**FALCONS CORNER**

**St. Mary's Catholic School**  
**Catholic Education in the Classical Tradition**

Catholic Classical education will cultivate our students' love for the True, the Beautiful, and the Good - and help each child ultimately discover the Divine nature and order of all things. Through wonder and awe, our students will be guided ever closer to Our Creator, and thus recognize the glory of the Incarnation of Jesus Christ and our resulting salvation.

Catholic Classical Education is an educational approach rooted in the medieval concept of the *Trivium* (Latin for "three ways"). Each element of the Trivium (grammar, logic, and rhetoric) is viewed as subjects, stages of development, teaching methodologies, and *tools for learning*. A student who has mastered the tools will be able to think and learn for themselves and thus be able to master any subject they approach.

We will begin our vision with History and Language Arts in the Fall of 2021 moving on to Nature Studies and Math in the Fall of 2022. Because our Catholic Identity permeates all areas of our curriculum, Religion will transition naturally with each subject. We are excited to be part of history at St. Mary's Catholic School.

As we continue to pray for the continued recovery of Pope Francis after his surgery, Archbishop José H. Gomez of Los Angeles, president of the U.S. Conference of Catholic Bishops, issued the following statement:

"It is with gratitude that we received the news of the success of the Holy Father's surgery this past week-end. We continue to offer our heartfelt prayers and good wishes for his recovery. Even as he is recuperating in the hospital, our Holy Father, in his role as our shepherd has selflessly expressed his closeness to those who are sick and in most need of care.

"In solidarity with the universal Church, we offer our prayers for all who are ill and in need of God's healing touch, and for those who work tirelessly in health care to bring comfort and medical care to the afflicted. Mary, Mother of Healing and Hope, intercede for us!"
