

Nineteenth Sunday in Ordinary Time

August 8, 2021

At times in our life's journey, we may experience periods of deep emptiness and pain, as Elijah did. Yet God feeds us not just with ordinary food, but with himself. Like Elijah, we must have the courage to trust in God, to receive the life-giving food God provides and to continue God's work in hope and faith. What is that work? To witness to God's presence in every human life; to respond to human need and to change systems that perpetuate suffering; to be a witness to human solidarity and to work for the common good.

### FALCONS CORNER

Welcome back to what we know will be a wonderful and exciting school year with the introduction of Classical Education.

Classical education is the education our founding Fathers received and we are recovering our authentic Catholic education.

Catholic education aims not only to communicate facts but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom.
