

Eighteenth Sunday in Ordinary Time

August 1, 2021

The Israelites grumbled in the desert and the people of Jesus' time demanded a sign. Like them we want some assurance of God's life-giving presence among us. The sign that Jesus has given us is broken bread. Through his death and resurrection Christ entered into and healed our brokenness. In Christ, the Bread of Life, we are invited to embrace human vulnerability and brokenness not as a sign of death, but of life. We are invited to become one in sharing our need with one another and to reach out toward all whose lives are broken. How are you being called to be like Christ who shared himself fully with those in greatest need?

### FALCONS CORNER

Welcome back to what we know will be a wonderful and exciting school year with the introduction of Classical Education.

Classical education is the education our founding Fathers received and we are recovering our authentic Catholic education.

Catholic education aims not only to communicate facts but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom.
