

Feast of the Holy Family
of Jesus, Mary and Joseph

December 26, 2021

Each of us was made by God, created in God's image and called to an authentic and holy life in Christ through the grace of the Holy Spirit. In keeping true to our commitment to raising children in the faith, we must continue to transmit the full truth concerning the human person at every stage from conception to natural death. May we focus not only on the gifts of family life, but also the family as the basis of a peaceful and just society.
