

Second Sunday in Ordinary Time

January 16, 2022

*The Wedding at Cana*

His mother said to the servers,  
 “Do whatever he tells you.” JN 2:5

A fruit salad is not really a fruit salad if it only has apples in it. Christ calls us to appreciate the variety of gifts given to everyone. To accept the gifts of others is to work for Christian unity. In what ways do you appreciate the gifts and talents of others?

Hebrews: The New and Eternal Covenant is a Bible study program that takes Catholics on a guided tour of what is considered the "Holy of Holies" of biblical theology.

Presented by Dr. Andrew Swafford and Jeff Cavins, this study program draws out the meaning of the book of Hebrews in a simple way and highlights the critical differences between the Old and New Covenants.

After doing this study, Catholics will be able to see, appreciate, and take hold of the riches God has given them in the New Covenant. And most importantly, this encounter with God through the lens of Hebrews will help Catholics get to know the generosity of the Father's heart in a deeper way than ever before.
