

Second Sunday of Easter
Sunday of Divine Mercy

April 24, 2022

In the Gospel today Jesus greets his frightened and traumatized disciples with this greeting: Peace! The readings today convey that profound sense of peace that is the legacy of Jesus. This peace is not characterized by the absence of conflict, but rather, by a deep sense of well-being that accompanies a lively faith. Can we bring this deep sense of peace to those around us experiencing conflict? How can we be better peacemakers in our world by centering ourselves more fully in Christ?
