

Twentieth Sunday in Ordinary Time

August 14, 2022

In the Gospel this Sunday, Jesus points out that the decision to be a disciple will cause division & discord. The church embraces and upholds values that stand in stark contrast to the values of the world. Even within the church there are divisions & disagreements. This is because we are all sinners. Christ calls us all to conversion and in the process we will experience division and discord. The question is can we love those with whom we disagree as Christ taught us to do?
