

The Solemnity of Our Lord Jesus Christ,
King of the Universe

November 20, 2022

***The Solemnity of
Our Lord Jesus
Christ, King of the
Universe***

This great feast of Christ the King allows us to remember the paradoxical nature of the reign of Christ. Ours is a king whose arms are flung wide to embrace the world in love, but those arms were nailed to a cross, a form of execution for the lowest. Christ's power to give life is manifested in the midst of powerlessness. Christ unmasks the false illusions of political or economic power or social prestige and shows that his reign is to be found with the poor, the helpless and among sinners. Will we join him?
