

Fourth Sunday of Lent

March 19, 2023

On this Sunday, we invite God to cure our blindness and our tendency to see only the appearance of things and people. Sin blinds us and we need to be freed from sin in order to see as God sees and live as God wills. Is there a person or situation in our life that we need to see differently? What new sight or what new insight is God wishing us to see? How is God working to heal blindness in us?
