

Second Sunday of Lent

March 5, 2023

This week we move from temptation in the desert to transfiguration and glory. Early in our Lenten journey we are given a hint of the resurrection. But first we must recognize the truth of St. Paul – that all of us are called to bear our share of hardship for the Gospel. Perhaps the mountain we must climb with Christ is one of sharing our time or ourselves with others. Perhaps we are called to greater simplicity of life and generous sharing of our material possessions. Each of us is called to die to self to live for Christ. What death must we die to share in Christ's glory?
