

The Resurrection of the Lord

April 9, 2023

The root of our Easter joy is in celebrating with family and community the triumph of Jesus over sin and death. How will that joy find concrete expression in our lives? The risen life of Jesus is given to us so that we can continue his ministry of proclaiming good news to the poor, liberty to captives, recovery of sight to the blind and a year of favor from our God. On Monday will we go back to business as usual or will we bring the joy of the resurrection to our brothers and sisters still living in the darkness of poverty, imprisonment and want?

WALKING FOR EDUCATION

One of our yearly traditions at St. Mary's Catholic School is **Walking for Education**. This year, the purpose of this event will be twofold. We will allocate 50% of funds raised toward our tuition assistance program and 50% toward an updated Spanish program and Classical Catholic Education materials.

Knowing that the privilege of a Catholic education is a financial sacrifice for many parents, and to ensure our students have the resources needed to reach their God-given potential, we ask for your support. St. Mary's Catholic School is a family in every sense of the word and we must work together for our continued success and build on the foundation of the last 125 years.

If you would like to make a donation, please stop by the school office or give us a call 254-778-8141. We appreciate any and all help so all students can realize a quality Catholic Education.
