

The Solemnity of the Most Holy Trinity

June 4, 2023

This Solemnity of the Most Holy Trinity invites us to enter into the mystery and dynamism of our Triune God. Our God is not an abstract force, but three persons so united in love that they are One. We are baptized into that dynamic love and now God's life and breath are ours. We are challenged by this feast to let God's love transform us more fully so that it pours out of us in all our words and actions. Such love enables us to be freed from fear and to lead others to that freedom.
