

Seventeenth Sunday in Ordinary Time

July 30, 2023

God has created each of us with gifts – treasures like the pearl in today's Gospel. How are we being called to give back? We all have something to give, because God has been generous with us. Some have more time, some more talents, some have more monetary resources. How can you share what God has given you this week? Can you be present to someone in need? Can you look at those who are begging on street corners? How can you share the treasure of yourself this week?
