

Twenty-ninth Sunday in Ordinary Time

October 22, 2023

Render to Caesar  
the things that are Caesar's,

Matthew 22:21

And to God  
the things that are God's.

Jesus knows that the Pharisees were seeking to entrap him and he does not allow it. Government has a role to play, but God's role is always more central and important. A question that arises from this Gospel is: Do we live in a way that reflects the primacy of God in our lives? Do our lives show God's values regarding sharing our gifts and resources in the world? Do the poor have a place of primacy in our consciousness, as they do for God? What is one thing we can do this week to let the poor have a privileged place in our life and consciousness?

Altar Flowers this  
weekend have been  
provided in loving memory of
