

SIXTH SUNDAY OF EASTER

MAY 5

This Sunday all the readings remind us that we are caught up in the great mystery of love.

The very life and essence of God is love; and God, who calls us and loves us first – before we are ready or able to respond – pours out his love on us with profound generosity.

Since God has been so generous with us, how can we be stingy, especially since love comes from God and not from us?

We are invited to receive, to treasure this great gift and then to live and spread it throughout the world, especially toward those who are hardest to love, our enemies.
