

Thirteenth Sunday in Ordinary Time

June 30

This week, both the Gospel and first reading affirm the healing and life-giving power of God's love. Yet, we experience that death, suffering and pain are a very real part of life. Many find themselves asking: "Where is God?" The death and resurrection of Jesus is the assurance that

God is with us amid pain, suffering and even death and bringing us to new life. How can we hold others in their pain and suffering to help them to trust in God? Who needs the witness of your faith and love this week?
